**CYCLE ARIZONA**

**SELECTED ARIZONA BICYCLE LAWS**

28-711 When overtaking and passing a bicycle, drivers must leave a clear path for the bicycle and the bicyclist at least 3 feet wide until the vehicle is safely past the overtaken bicycle.

28-715 A person riding a bicycle shall not attach the bicycle or any portion of the bicycle to any vehicle so as to render the bicycle operable on roads.

28-716 CARRYING LOADS... A person shall not carry a package, bundle or article while a bicycle is operated.

28-754 Every bicycle must have at least one brake in good working order.

28-756 A person shall not carry a package, bundle or article while a bicycle is operated.

28-810 Route Characteristics...

Legend

- R1: Steepest Grade
